

Color Coding of Inspected Equipment

- Construction and electrical contractors have developed a common color coding for electrical inspections. They use the "seasonal color" scheme for quarterly inspections:
 - **White** for winter (January, February and March)
All ladders, Cords, Power Equipment, Harnesses, Yo-Yo's & Lanyards inspected by January 1st.
 - **Green** for spring (April, May and June)
All ladders, Cords, Power Equipment, Harnesses, Yo-Yo's & Lanyards inspected by April 1st.
 - **Red** for summer (July, August and September)
All ladders, Cords, Power Equipment, Harnesses, Yo-Yo's & Lanyards inspected by July 1st.
 - **Orange** for autumn (October, November and December).
All ladders, Cords, Power Equipment, Harnesses, Yo-Yo's & Lanyards inspected by October 1st.
